## ELECTION FOR ELECTRONIC COMMUNICATIONS

Recent legislative changes to the *Corporations Act 2001* (Cth) mean there are new options available to Key Petroleum Ltd (**Key or Company**) securityholders as to how you receive communications from the Company.

Key will no longer be sending physical meeting documents unless you request a copy to be posted.

We encourage all securityholders to provide an email address so we can communicate with you electronically when securityholder notices become available online, for items such as meeting documents and annual reports.

Securityholders can still elect to receive some or all of their communications in physical or electronic form, or elect not to receive certain documents such as annual reports. To review your communications preferences, or sign up to receive your securityholder communications via email, please follow the steps below.
