ASX Announcement

16 June 2022

UPDATE RE SALE OF 50% INTEREST IN L7 AND 86.94% INTEREST IN EP 437, ONSHORE PERTH BASIN

Key Petroleum Limited, (**Key** or **Company**) refers to its ASX announcement dated 29 January 2021 in which it advised that the Company had entered into a Sale and Purchase Agreement (**Agreement**) and Royalty Deed with Triangle Energy (Global) Limited (ASX: **TEG**) (**Triangle**) to sell to Triangle Key Petroleum (Australia) Pty Ltd's 50% participating interest in Production Licence L7(R1) (**L7**) and Key Petroleum and Key Midwest Pty Ltd's combined 86.94% interest in Exploration Permit EP 437 (**EP 437**). A wholly owned subsidiary of Triangle will hold the relevant interests acquired under the Agreement.

A summary of the key terms of the Agreement is contained in that announcement.

During the intervening period the Company and Triangle have continued working to complete the necessary regulatory requirements in order that the Department of Mines, Industry Regulation and Safety can effect the transfer of Key's interests in L7 and EP 437 to Triangle.

There have been a number of delays, however, with completion nearing the end, Key and Triangle have agreed to further extend the proposed Cut Off date for the Agreement to 30 September 2022. It is anticipated that Completion will occur before this date. The remaining \$100,000 of the balance owing to Key will be paid by Triangle at Completion.

Key remains an active Australian explorer, with a renewed focus on maturing the east coast gas supply potential from its Cooper-Eromanga Basin assets in Queensland.
